

Print Room Etiquette

- or -

How to be a good neighbor in the print room.

- This is a shared space. Please be considerate of others, and clean up after yourself.
- This is a high usage area! Please only use one printer at a time, regardless of type.
- Dispose of waste plastic in the regular trash. We are not able to recycle it.
- Larger printers should be reserved for items that the MK4s cannot handle. If your item can be printed on a less powerful machine, please do so.
- Please match your Octoprint login with your **Slack** handle. This is the only way we have to identify you when issues happen.
- Please dispose of your own print failures. No one else knows to throw it out.
- Pick up your prints in a timely fashion. Items left more than a week will *not* be put in Lost-and-Found.
- Bins will be cleared at the end of each month during Hack Denhac.
